In service to Srila Prabhupada...

Some of the Benefits Provided by the RGB :

The ISKCON NA RGB is dedicated to providing essential guidance and support to temples and centers, fostering a unified and vibrant spiritual community throughout the continent.

The NA RGB is officially recognized as the representative of the Global GBC body and responsible to administer global and regional policies. Maintaining the NA RGB itself is essential for assuring that the centers are receiving these services while simultaneously maintaining its global status and connection with the GBC.

ISKCON NORTH AMERICA

NA Regional Governing Body

1 Funding Child Protection Office

We have doubled the funding for the Child Protection Office (CPO) to support enhanced safeguarding measures for the well-being of our children.

2 Protecting Trademarks

Legal resources have been allocated to protect the integrity of ISKCON, such as challenging unauthorized use of trademarks.

3 Pending Legal Matters

Funding has been allocated for additional pending legal issues that have significant implications for ISKCON North America.

4 Youth Ministry Support

Funding for the Youth Ministry supports programs that engage and nurture the next generation of devotees.

5 ISKCON Communications Support

The NA RGB support ISKCON Communications, enabling more effective outreach and public relations.

6 Vaishnavi Ministry Support

Funding for the Vaishnavi Ministry supports heart-centered empowerment of Vaishnavis in their service.

7 Annual NA Leadership Conferences

NA RGB funds two North American Leadership Conferences each year, which provides a platform for leaders to gather, share insights, and strategize on advancing ISKCON's mission.

8 Accounting & Financial Services

Adequate funding for accounting and financial services ensures efficient and compliant financial management across ISKCON North America.

9 Ongoing Workshops & Webinars

Workshops are organized throughout the year to provide training and support for leaders. These sessions help develop skills, offer guidance, and strengthen ISKCON leadership.

10 Supporting Growth of New Centers

The NA RGB assists emerging ISKCON centers through experienced mentorship, guidance on best practices, connection to ISKCON's network, and legal, accounting, and administrative assistance.
